

Learn how to dance **SALSA/MAMBO**

Level: Intermediate & above

Salsa is the hottest dance on the club scene today, emphasizing undulating body movement, sassy turns and compelling rhythms. This "nubile" dance originally hailed from Cuba in the 1950's, and was greatly influenced by dancers and musicians in Puerto Rico, Miami and New York. Originally, a fast Mambo was called "Mambo con salsa" (Mambo with hot sauce). Now the world just calls it "Salsa!"

Now you can take your dancing to the next level. This class will transform you into a technically sound dancer. This is a 5 weeks course.
